- 25X1
1. The former Koenigstuhl restaurant, located about 6 km north of Sassnitz (54°31'N/13°38'E), housed a Soviet Navy radio station and about 80 Soviet naval personnel on 2 February 1950.
 2. About 40 to 50 meters east of the building and close to the precipice on the shore, there was a 25-meter mast, from which three or four wires led to a small wooden cabin.
 3. The area, which had a diameter of approximately 1000 meters, was enclosed by a wooden fence. It was guarded by naval sentries who carried carbines. *

25X1 [Redacted] Comment. Probably the local radio station for Soviet naval vessels at the Sassnitz naval base, and therefore of limited importance.
